# PHIL NEAL

First and foremost this afternoon I would like you all to extend a very warm Burnden Park welcome to Mark Patterson, the latest addition to our fold. Those fans who followed us to Bradford last week will have seen a glimmer of the qualities that I am sure will justify our investment. Mark helped us gain what I considered a very good result at Valley Parade.

Today we entertain Asa and his troops, who won here last season and in no way can be underestimated. We'll have to be on the lookout for Gary Shaw, who seems to have his old scoring touch back again. I'm sure Asa will

be coming here today hoping for a repeat of last year's result but I'm banking on us denying him that pleasure.

Last week's result was enjoyable but it will not look as good if we can't follow it up with a victory. We've got to keep things going but I'd like to see a more sustained performance over the whole 90 minutes this time. Instead of cruising for the first half hour, when I thought we stood back and had a look at Bradford, we've got to get going right from the outset and put the pressure on the visitors. That way we'll have the fans behind us and that, I can tell you, is an enormous help judging by the way they drove us on at that bottom end at Bradford. There were fewer than 1,800 of our supporters there but they created a terrific atmosphere which we responded to.

On the news front I'm happy to say that Sammy Lee is showing smashing progress in his recovery programme. He's had the plaster off his leg and is now wearing a brace. His leg is almost straight again now, which is good and he's currently working hard, both here with our physio and over at Beaumont Hospital.

We all wish Sammy well in his efforts.

# SHREWSBURY TOWN

This afternoon we extend a warm welcome to the players, officials and supporters of Shrewsbury Town. The Shrews, beaten by a late Stuart Storer goal on the opening day of the season, find themselves in the lower reaches of the Third Division with 19 points from 22 games. Last Saturday a goalless home draw against bottom club Rotherham extended Town's poor form at Gay Meadow where only two wins, against Birmingham and Crewe, have been earned.

Away from home this season Shrewsbury have won at Stoke City (3-1) and Bradford City (4-2) with draws at Rotherham (2-2) and Tranmere (1-1), but they have lost on six of their last seven away league trips.

A fine run in the F.A. Cup has shifted some of the attention off the club's relegation anxieties. Shrewsbury beat Bradford City (after a replay), Chorley and Watford on their way to the fourth round and will entertain First Division Wimbledon next weekend. In the third round, 4-1 home win over Watford, Shrewsbury played some of their best football of the season, former England U-21 striker Gary Shaw scoring two with Michael Brown and star midfielder Tony Kelly also on the scoresheet.

Hartford certainly needs no introduction to Burnden Park. The 40 year-old former Scotland international's 17 league appearances last season took his career tally to 735, chalked up at West Brom, Manchester City, Notts Forest, Everton, Norwich, Bolton Wanderers, Stockport County and Oldham. Hartford, who took over from Ian McNeill as manager a year ago, joined Shrewsbury originally as player-coach, having had previous managerial experience at Stockport. He is assisted by former Norwich and Manchester City manager John Bond who has been lending his expertise on the coaching side.

Last season, in their first taste of the third division for ten years, Shrewsbury finished 11th. Hartford re-shaped the side in the second half of the campaign, bringing in Sunderland defender Tom Lynch, Bristol City midfielder Paul Wimbledon, Aston Villa striker Dean Spink and diminutive winger Willie Weir from Baileston. During the summer leading scorer John McGinlay, on the mark in Town's 1-0 win at Burnden last April, moved to Bury and ever-present David Moyes moved to Scotland, but new players have been drafted in, including defenders Mark Blake, Kenny Clements and Mick Heathcote, midfielder Kevin Summerfield and striker Gary Shaw. A total of 24 players have appeared in Town's league games in the first half of the season as they search for a consistent blend. Leading scorer in league games is Manchester City striker Wayne Clarke, who returned to Maine Road after a successful loan spell during which he scored 6 goals in 7 games, including a hat-trick against Birmingham City, Shrewsbury's first home league win in 7 attempts.

An update of today's opposition

25 year-old goalkeeper **Ken Hughes** took over the number one jersey from **Steve Perks** during October and has been ever-present since. Formerly with Crystal Palace, Hughes made his league bow on moving to Gay Meadow in 1986-87, though in his first four seasons with the club he made only 15 league appearances. Perks, 27 year-old and Shrewsbury born, joined his home-town club as an apprentice and passed 200 league appearances last season, when he was ever-present.

22 year-old full-back **Graeme Worsley** joined Shrewsbury from North West Counties league side Bootle in March 1989 and this season has earned a regular first-team spot. Former Manchester City, Oldham and Bury defender **Kenny Clements** joined Shrewsbury in November after a short spell in Irish football. The 35 year-old passed 500 league appearances last season and reportedly recently turned down a chance to take over as player-manager at Hyde United to continue at Gay Meadow. 23 year-old central defender **Mark Blake** was a summer signing from Southampton. Portsmouth born, he spent the last two months of last season on loan to Shrewsbury and since signing permanently has been ever-present. 26 year-old Limerick born **Tommy Lynch** was signed from Sunderland midway through last season and has also established himself as a regular.

26 year-old **Tony Kelly** made his name at Wigan Athletic in the mid-eighties and joined Shrewsbury two years ago after spells at Stoke and West Brom. The talented Liverpool born midfielder has now made 263 league appearances. Birmingham born forward **Michael Brown** came up through the apprentice ranks

**BACK ROW (left to right):** Paul Gorman, John Moore, Richard Green (now left the club), Steve Perks, Ken Hughes, Richard Pratley, Graeme Worsley, Mark Blake.

**MIDDLE ROW:** Dean Spink, Willie Naughton, Tony Kelly, Micky Heathcote, Tom Lynch, Steve Copeland (now left the club), Michael Brown.

**FRONT ROW:** Brian Williams (Youth Team Coach), Willie Weir, Paul Wimbleton, Asa Hartford (Manager), Sean Parrish, Carl Griffiths, John Bond (Coach).

at Gay Meadow and made his league debut in 1986-87. The 22 year-old has since played 165 league games for Town. 25 year-old **Michael Heathcote** was a summer signing from Southampton, whom he joined from Spennymoor in 1987-88. The Durham-born defender gained league experience in loan spells at Halifax and York City but already this season has almost doubled his career tally. 27 year-old **Paul Gorman** joined Shrewsbury from Carlisle last season. Formerly with Arsenal and Birmingham, the Dublin born midfielder is only a handful of games short of 200 league appearances, three-quarters of them in a five season stint at Brunton Park.

**Dean Spink** joined Shrewsbury from Aston Villa for £75,000 last March. The 23 year-old Birmingham born forward was

snapped up by Villa from Hale-sown Town but only gained league experience during loan spells at Scarborough and Bury. Spink is partnered up front by former Aston Villa striker **Gary Shaw** who moved to Gay Meadow earlier this season after a spell in Austrian football. The 29 year-old scored 59 league goals in 165 games for Villa and was a member of their 1982 European Cup-winning side when he formed a fine striking partnership with Peter Withe. Last season he had a short spell at Walsall. Another newcomer to the ranks this season is former Plymouth midfielder **Kevin Summerville**, an experienced player who numbers West Brom, Birmingham, Walsall and Cardiff among his previous clubs. The 32 year-old joined West Brom as an apprentice and made his league debut in 1978-79, since when he has

made over 230 league appearances, scoring over 50 goals. **Carl Griffiths** came up through the trainee ranks at the club and made his league debut two seasons ago. The 19 year-old Oswestry born forward passed 50 league games earlier this season. **Willie Naughton** is an experienced wing man who joined Shrewsbury from Walsall for £35,000 in August 1989. Formerly with Preston, the 28 year-old has now made 360 league appearances over the last 12 seasons. 26 year-old midfielder **Paul Wimbleton** was signed from Bristol City last season. Havant born, he played previously for Portsmouth and Cardiff, while 22 year-old winger **Willie Weir** was snapped up from Baileston and made his league debut in the second half of the campaign.

### BOLTON F.A. CENTRE OF EXCELLENCE

JIM has been coaching the young schoolboy players at the Wanderers since being invited by Phil Neal to join the coaching staff on a part time basis 18 months ago. A former Deputy Headmaster, he worked at the Youth level at Liverpool F.C. for 11½ years scouting and coaching, an experience he says he would never have missed. As an

**JIM DEWSNIP**

F.A. Staff Coach for the past few years, Jim works often with the best young players in the North West area. He has represented the England F.A. on International schools coaching courses throughout Europe and Canada but feels that some of the youngsters here at Bolton have the potential to be as good as any he has seen.

"Who is your favourite player in the Football League?" This was an "off the cuff" question I gave to the young players who attend Bolton F.A. Centre of Excellence every Tuesday night throughout the season.

It came as a pleasant surprise when they answered Julian Darby, Tony Philliskirk, Mark Winstanley and not John Barnes or Bryan Robson as is the usual stock answer from youngsters. It is even more pleasing to hear when two of them are local boys who have come through the Bolton system from being local schoolboys.

The F.A. Centre of Excellence here at Wanderers is set up under the guidance of the Football Association to encourage gifted young players from 9 years to 14 years to improve their personal technique and their understanding of the game.

At the moment we have around 80 young players from around the Bolton and surrounding areas who attend the Centre of Excellence regularly on Tuesday nights. They work hard at improving their Dribbling, Shooting Control, Passing, etc. but just as important, teaching them good sportsmanship and to appreciate the skills shown by other players around them.

One of the pleasing aspects that is coming from the young players at the Centre of Excellence is that they are talking of wanting to play for Bolton Wanderers one day in the future. This is encouraging when you think to the past years when local talent decided to go to the United's and City's in preference to Burnden Park.

The Manager, Phil Neal, is most keen to encourage local young players to come here and show that they have the ability to become Professionals as happened to Alan Stubbs, Mick Jeffrey and Neil Fisher with a number of others who are at present on YTS (Apprentices). All of these came through from the Centre of Excellence during the past few years.

With former Wanderers favourite Peter Nicholson, Bolton Schools Team Manager Nigel Hamilton and myself coaching the youngsters, the Youth Coach at Bolton Steve Carroll feels that the young players are in good hands. What we want to see is that the best young players from the Bolton area want to come to Burnden Park Centre of Excellence.

Mr Porter - BWFC Programme Editor

Dear Editor,

I hope you like the photo of my son Daniel Icke age 5 taken with Phil Brown at Fulham. David Icke is only 5 years old and is really mad about football, especially Bolton Wanderers. His favourite players are Phil Brown and David Felgate. He lives near London so his dad takes him to watch all Bolton's matches in the South.

Just before the kick-off at Fulham David's Dad asked Phil for his autograph. Phil was happy to oblige and did one better by lifting David over the fence to have his photograph taken. He made young David's day with a photograph he will treasure for a long time to come. David hopes he will play for the Wanderers one day!

**1889:** The Wanderers were without Bethel Robinson, who was appearing for the North v South, against Stoke. A 2-2 draw resulted with Bolton's goals coming from Owen and Brogan. The first goal by Owen came from a mistake by Stoke keeper Ramsey who caught the ball only to fall behind his own posts.

**1907:** The double over Derby County was completed at the Baseball Ground thanks to a goal from Albert Shepherd. The international forward had missed most of the first half of the season but since his return he had scored four goals in as many games.

**1918:** A run of four consecutive wins came to an end when Preston North End won 2-0 at Deepdale in a Lancashire section tournament game.

**1924:** Bolton made it 12 games without defeat when a 31st minute goal from John Smith took the points against fellow championship chasers Aston Villa at Burnden. Harry Boston, a winger who had been signed from Nantwich, made his debut in place of the injured Billy Butler.

Jones missed his first game of the season, a 2-1 success at Southampton, through tonsillitis, his place being taken by Harry Church who was playing in his first game for a year. All the goals came in the first half hour, Jack Milsom putting Bolton in front before an equaliser from Neal, Ray Westwood struck the winner.

**BRADFORD**  
**BOLTON W.** 1

Last weekend saw the Wanderers collect another valuable point on their travels with a fine 1-1 draw at Valley Parade.

Bradford's highest crowd of the season of 8764 enjoyed a finely balanced game which the Whites finished the stronger of the two outfits.

Goalkeeper David Felgate made a series of fine saves in the first period before the Banthams took a 66th minute lead through striker Torpey but it didn't take the Whites long to hit back through leading marksman Tony Philliskirk.

New signing Mark Patterson had earlier come on to make his debut for the Club and was instrumental in the lead up to the Wanderers' equaliser.

### FOOTBALL IN COMMUNITY

Since the New Year we have changed our schools activity timetable over and are now coaching this term at 10 schools which are: St. Stephens, Stocks Park, Our Lady of Lourdes, Lostock Park, St. Williams, Sharples C.P., Moorgate, Cherry Tree, Plodder Lane and Bolton School. At these schools we coach anything from football to fun games, making sure all the kids enjoy themselves.

We have now started an unemployment training session on Mondays, 2.30 — 4.00 p.m. on the astroturf; so if you are unemployed or you know anyone who is, come down and have a game with us. We are looking to have a team to play other unemployed teams elsewhere.

Again, the scheme is running birthday treats for the kids. If you are interested, ring me on 364555 for details and prices. I would like to welcome Harwood Meadows School this afternoon. Harwood have just finished on the scheme and have been invited down for a tour and to watch Bolton play. I hope you all have a good time.

The scheme are holding a Tea Dance on Wednesday, 23rd January at 1.00 p.m. at Alderbank Old Peoples Home, Farnworth. There will be old time dancing, a sing-a-long, tea, coffee, cakes and a raffle.

If you know of anyone interested, come down and join in. The more the merrier.

Thanks - Geoff Lomax

A look at some of the great soccer stars

Next Saturday's F.A. Cup 4th Round tie against Manchester United at Old Trafford has injected an air of excitement into Bolton Wanderers supporters, comparable to the Newcastle confrontation of the 70's. Cup fever has caught the interest of former players, those who played in the 1958 Final and similarly those who have played for both clubs during their careers.

ROY PARRY, who starred in the victorious '58 side said, "It has got the ingredients of being a good game. Both teams are currently playing well and it could develop into a ding-dong do. Should United grab an early lead then I feel it could be hard for Bolton but if they can hang on frustration may creep into the Cup holders. I think Bolton should go with a positive attitude and get forward as much as they can. Hopefully I will be at the game."

Another 1958 hero, goalkeeper EDDIE HOPKINSON, who also hopes to be there on the day, insisted that past history must give Bolton a chance. He explained, "Wanderers have usually done well against

team, even in the days of Law & Co. Being at Old Trafford gives United the advantage but in the Cup you never can tell."

Wyn pointed to the West. Brom v Woking game in the third round. Furthermore Wyn has backed Bolton. He said, "A workmate has given Bolton two goals start so I have taken him on for £5 because its a one off game."

He realises United are going well at the moment and being the current Cup holders they would relish a return to Wembley but its all down to the day.

Around 10,000 Bolton fans will make the short trip to Old Trafford and this set Wyn a poser. "I believe the queue for tickets stretched well up Manchester Road" he said, "but where are they every Saturday?"

"Why can't these people turn up for an ordinary League game?" asked Wyn.

Manager Phil Neal reckons not to be giving too much thought to the Cup tie at this stage and rightly so. Promotion is more important and three points from Shrewsbury today will be welcome.

This afternoon we meet up with probably the hardest working striker in the Football League in David Reeves, the frontman who really does cover every blade of grass during the ninety minutes of a football match.

Born in Birkenhead David was spotted playing for Heswall in the West Cheshire League as an eighteen year old by Sheffield Wednesday who invited the youngster down to Hillsborough for a weeks trial before securing his services on a full time contract. Howard Wilkinson was the manager at that time at Sheffield and even though competition was stiff at the then First Division outfit David made an impressive first team debut at the club against Arsenal. "I was picked as Man of the Match and we won 2-1 taking Arsenal's unbeaten record away from them in the process" he added. The tall blond striker went on to score his first League goal for the Owls in a fine 2-1 victory over Southampton at the Dell with Reeves converting the winner with a fine header.

During the course of the 1988-89 season David had started to come to the attention of a number of managers including our very own Phil Neal who had seen him at close quarters the season before during a loan spell at Burnley when he scored for the Clarets against ourselves. His growing reputation heralded competition for his signature when he turned down a new contract to stay at Sheffield but Phil Neal finally got his man and David

returned to his native North West in a tribunal fixed transfer of £80,000.

David soon became a favourite of the Burnden Park crowd scoring his first goal on home soil in the 5-1 Littlewoods Cup victory over Rochdale. When asked for the best goal he has scored for the Club so far, he commented "That was against Birmingham last season when I scored with my head in the 3-1 victory down here at Burnden". Over the past eighteen months David has formed a terrific front line partnership with Tony Philliskirk, probably one of the most effective in the football league, with David adding "It's great playing with Tony. We have a good understanding together and hopefully we can continue to prosper in the future".

Looking forward to next Saturday's F.A. Cup tie at holders Manchester United with great anticipation, "I think we've got a genuine chance. The lads are full of confidence and with 10,000 fans backing us, it's going to be some game" he added. David has played at Old Trafford before but only at reserve level when he was at Sheffield Wed-

nesday, so it's going to be completely different with around 47,000 locked in there next Saturday.

David does still live in Sheffield with girlfriend Lisa who travels over to watch him play at Burnden. When relaxing, he likes nothing better than a game of snooker, although on the romantic side he likes spending a quiet night in with Lisa watching a video and ordering a pizza. Musical tastes are varied but include Black Box, Simply Red, but funny enough he never mentioned Bros!

Mick Hennigan, youth coach in

his days at Sheffield Wednesday was mentioned as the person who had helped him the most in his career so far, while a certain Jordan Felgate was named as his best mate in football with David adding "Every time we play at home David Felgate's young son Jordan is in the players lounge and we have a bit of a laugh together. He's a smashing kid and if I don't mention him he'll probably sort me out next time he sees me" he chuckled.

David's already had the satisfaction of scoring against Tranmere, his local club from his native Birkhead, but he still rates them as

probably the most dangerous outfit in the Third Division to play against. "That's right, they are a good side but I would love to do the double over them when we go to Prenton Park in March". The twenty-three year old also emphasised the tremendous team spirit that had built up between the lads. "It's really great. Even when we had the dodgy start to the season we never lost faith, kept working as hard as ever and now we're starting to see the benefits, although it's true to say we never let each other get complacent during a game" he added.

The tall blond striker has special words of praise for the Wanderers fans. "I thought when I was at Burnley that they were a great set of supporters, but the fans here are in a different class, especially our away travel who really are superb" he commented.

He will of course be looking to add to his tally this afternoon against Shrewsbury but there is one thing for certain—that no one will have worked harder come the final whistle than David Reeves.

The reserves extended their unbeaten run to 12 games with a scoreless draw against promotion rivals Hull City at Burnden.

A deluge half an hour before kick-off put the game in doubt and although the weather relented it made for heavy going which kept the scoring chances for both teams to a minimum.

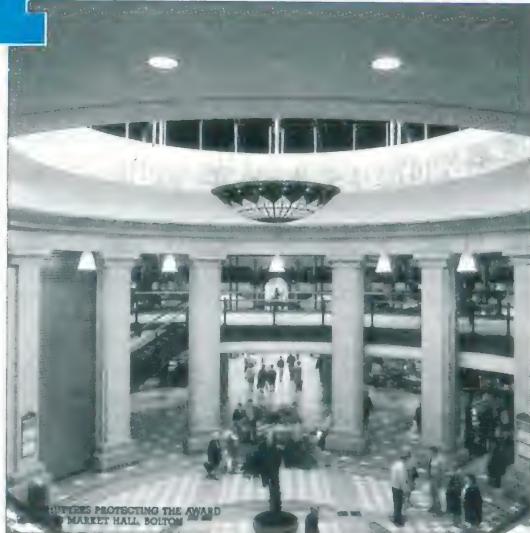

A low shot from Alan Stubbs in the 20th minute brought out the first save from Hull keeper Rob Gawthorpe and two minutes later Nicky Spooner saw an effort go inches over the bar.

In the 32nd minute it took a last ditch headed clearance from David Mail to prevent Craig Lewin converting a cross from Scott Green.

Both keepers were in action early in the second half, Kevin Rose getting down to a shot from Mike Smith and Gawthorpe saving a Scott Green effort.

of the evening came when Alan Stubbs ran onto a right wing cross from Nicky Spooner but his first time effort went the wrong side of the post.

Kevin Rose kept the Wanderers in the game when Mike Smith got through the keeper producing a good save to deny the winger.

Six minutes from time David Burke's curling attempt from 20 yards went just over the bar but Hull almost stole the points just before time.

A deflected shot from Herry Ngata was heading for goal but Rose turned it over the bar with a spectacular leap to produce the save of the evening.

At the bottom, the date 'Wednesday, 21st March, 1973' and kick-off time 'Kick-off 7.15 p.m.' are listed.

Our Boxing Day jaunt down to the seaside saw us encounter another £1 priced programme.

An improvement from when we last met them a couple of seasons ago but still not really value for money. The issue comprised of 36 pages of the A5 size format with quite a colourful cover.

The coverage of the Wanderers was good with other interesting features including 'The Memory Game', a look back at meetings between the two sides, and 'Player Profile' which interviewed Blues player David Martin.

Over-all view of the programme is pretty average with the balance not quite right to give a good feel about it.

## SAFE HANS

A lighthearted look at football

Little could we have imagined that our victory over non-league Barrow could have given us such a dream tie in the fourth round of the F.A. Cup as cup holders and local rivals Manchester United. Waiting for the draw to appear on Teletext I had a funny feeling that at long last we were due a big one and low and behold the Reds from Manchester came our way. Funny at the time but the boys from Old Trafford still had to play their third round tie against QPR and I have never known so many Wanderers fans rooting for Alex Ferguson's side.

It brings back memories of great matches between the sides throughout the years and with it the F.A. Final victory for us over the Reds in 1958 with our very own Nat Lofthouse making the headlines that day. As well as being financially rewarding to ourselves with a full house virtually being guaranteed, it also

gives us the chance to test our skills against a top First Division outfit and if we can produce our best on the day there's no doubt we will give them plenty to think about.

This afternoon though, gives us the opportunity to record our first double of the season after our hard fought victory over Shrewsbury on the opening day of the season. Shrewsbury have struggled for consistency so far in the first half of the campaign but nevertheless are a match for any team on their day as recent F.A. Cup victims Watford will testify. They have scored more goals on their travels in the Third Division than any other side but on the

other hand they have conceded more goals than any other outfit except Rotherham, so that must be causing some concern down at Gay Meadow.

New signing Mark Patterson could well wonder how many of our supporters at be in the thick of the Bradford enjoyed the action this afternoon pre-match entertainment served up by after his recent arrival from neighbours David Reeves and Bury. My man of the match at Valley Parade was David Felgate, who once again produced keeping of the highest standard on what must have been a very emotional day for him returning to Bradford for the first time after playing in the fatal game for Lincoln in which so many people lost their lives in the tragic fire just a few years ago.

Bolton will today be looking to end Shrewsbury's run of three wins and one draw from their last four league visits to Burnden.

Town's first visit came in April 1972, a Roy Greaves penalty and a goal from Ron Phillips gave the Wanderers a 2-0 win, Just for good measure the Wanderers also ousted Shrewsbury out of the FA Cup that season with a 3-0 win in a 2nd round tie at Burnden.

The previous November Bolton made their first ever visit to Gay Meadow and went down to a first half goal from Alf Wood.

## PLAYED FOR BOTH CLUBS

Chris Duffey hailed from Liverpool and was spotted by Bolton scouts representing Kirkby schoolboys. At 15 years old he signed apprentice professional forms and established himself as a winger in the central league side.

He made his league debut for the Wanderers in April 1970, a 0-0 home draw with Carlisle United, replacing Terry Wharton who, at the time, was the clubs record signing.

He failed to get a regular place, his best spell being a run of 6 games towards the end of 1971, it was during this time that he scored his only goal for Bolton during a 3-0 first round cup tie at home to Bangor City.

In September 1972 he moved to Crewe Alexandra in a loan deal where he teamed up with former Wanderer John Manning. At Gresty Road he made 6 league appearances, scoring 3 goals.

He returned to Crewe on a permanent basis for

the start of the 1973/74 season and went on to make a further 57 league appearances before joining Bury in October 1974.

Hescored 8 times in 21 league appearances for Bury before moving to Shrewsbury in May 1975. At Gay Meadow he made just 8 league appearances scoring 1 goal before ending his league career in a loan spell at Rochdale in December 1975.

### 1935/36 SEASON

Burnden Park's capacity was increased to 70,000 for the start of the season thanks to the concreting of the Great Lever End and the disappearance of the remains of the cycle track. There was also a new top between the Burnden Terrace and Lever End.

A season ticket for the new season back into the top flight cost £3 for men and £2/10s for women - no sex discrimination laws in those days! Record ticket sales of 3342 followed.

The reserves were re-elected to the central league after finishing next to bottom of the league the previous term.

Local brewery Magee's supplied clocks to be installed on the top of the stands which were to remain there for 40 years.

After three games the Wanderers were at the foot of the table with one point. The first win came at the fifth attempt a 2-0 home win over Everton.

Burnden for a 3-3 draw with Manchester City. This was the 12th league game over 40,000 since the War. The Wanderers found themselves 3-1 down but an equaliser from Westwood ten minutes from time won a point to lift the club into 8th place seven points behind leaders Sunderland.

A visit to Roker Park the following month ended in disaster for Bolton when the defence went to pieces. Drawing 1-1 after 17 minutes the Wearsiders ran out 7-2 winners.

An early cup exit at the hands of Blackburn, after a replay, along with a poor run of league re-

sults prompted the Wanderers to recruit.

Full back John Tenant was signed from Liverpool for £2750 and debuts were given to Tom Clark, Cyril Woods and James Currier in an attempt to stop the slide. Goalkeeper Fred Swift, signed during the summer from Oldham Athletic, was given his debut but in a 4-0 home win over Portsmouth on New Years Day.

No experienced players were signed before the transfer deadline and a young side took to the field against Stoke at Burnden. A debut was given to 18 year old winger Tom Woodward in a forward line that saw 25 year old Jack Rimmer the veteran, but Stoke ran out 2-1 winners.

On March 21st the ex-

perienced Alec Finney and Harry Goslin were left out of the side for the visit to Manchester City. George Goldsmith and George Nicholson, in his first game since February 1934, took over. Unfortunately the ploy failed and the Wanderers went down 7-0 thus equalling their worst ever league defeat. Neither Goldsmith nor Nicholson played in the first team again.

Fred Swift, in the Wanderers goal, was opposed by his more illustrious brother Frank in goal for City.

The Wanderers got over the shock to take five points out of the following three games which virtually guaranteed survival.

There was also successive home wins over the league champions

and FA Cup winners. Champions Sunderland were beaten 2-1 with the Wanderers coming from behind after conceding a 2nd minute goal to Carter. The Wearsiders, despite losing, remained seven points clear at the top. Arsenal were then defeated by the same score.

Home lapses had caused a modest position although it was much better than had been feared during the early part of the New Year.

Willie Cook was placed on the transfer list after declining to accept terms and at the end of April left to join Blackpool. This left Alec Finney as the only member of the 1929 cup winning team still in the club's employment.

## HELPING THE GAME

A fine new stand - one of the many initiatives supported by Trust funds.

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zetters. This money will be invested in projects which benefit football throughout the United Kingdom.
